It is inconvenient to decide claims to lg. on bills of actual expenses. It is best settled by rates. Lodging, Labour & Conveyance – all cost more in large cities like Calcutta and Rangoon and I would suggest that Mr Matthew may be given double the rate of his d/a for his halts in the two cities and that a d/a of 1 Re may be given to his servant

Perhaps 15/ & 1/8 may be more adequate CS

Having had to undertake such journey myself in the past when on the personal staff of H.H. the Maharaja. I have some experience of them. In the light of this I may be permitted to say that the ordinary rules of T/A cease always touch an officer's pocket on such occasions. A certain standard of living has to be adhered to & it. Even ten years ago it was impossible to do so on the rates normally admissible. Now cost of living has gone up quite cent percent & it is doubtful if even doubling the rates of halting allowances will meet the requirements of the situation. I fully appreciate the view taken by the Init. Secy. but as one who has felt the pinch myself I wish to say that some concession is quite justifiable in such cases.

Well.

CHIEF SECRETARIAT
POLITICAL BRANCH.
2 FEB 1920

Office of the Food Controller and
Director of Civil Supplies in Mysore,
Bangalore, dated 2nd February 1920.

P.P. 2/2/20 P.P. 24-19 #2

Dear Sir,

As it is the desire of Government that I should proceed to Rangoon as early as possible to study the state of the rice market and to interview the Rice Commissioner regarding the arrangements for the import of Burma rice that may be required by the State throughout the year, I have arranged to proceed to Rangoon as early as possible via Calcutta. (It is ascertained that there would be no steamers available from Madras to Rangoon for some time more as one steamer sailed on the 31st January). I have telegraphed to Calcutta for particulars of sailings and I propose leaving this so as to be in Calcutta a day before the sailing date of the next available steamer.

On arrival at Rangoon I shall see the Rice Commissioner and endeavour to obtain his advice and suggestions as to the best means of securing the supplies that may be required by us throughout the year at the most favourable rates possible. If the Rice Commissioner's arrangements admit of purchases being made direct from the millers at more favourable rates than through the Rice Commissioner, I shall also see the principal millers and try to make a more or less permanent arrangement without however committing Government in any manner.

I shall also arrange to purchase the whole of the 4,000 tons of the February allotment of Burma rice unless the Civil and Military Station authorities desire to make their own arrangements for the purchase of the 500 tons that I have allotted to them out of this quantity.

After completing the business at Rangoon I shall

shall return as early as practicable either via Madras or Calcutta according to the availability of steamers. As I may have a day at my disposal at Calcutta I shall also endeavour to ascertain the condition of the Bengal rice market and interview the principal millers as well as the Director of Civil Supplies, Bengal.

I request that formal orders of Government authorising my deputation and laying down any instructions that the Government may have for me may be kindly issued immediately as it is possible that I may have to start on Wednesday or Thursday next.

Sanction may be kindly accorded to my taking a peon with me.

In order to enable me to meet the travelling expenses of myself and the peon as well as to meet ~~the~~ telegram charges and other incidental office expenses, I request that I may be given an advance of Rs. 1,000 to be adjusted not later than March.

I understand that both in Calcutta and more so in Rangoon the expenses of lodging and conveyance are extraordinarily high and cannot be met from the daily allowance of Rs. 5 admissible to me under the ordinary rules. I am informed that the hotel charges at Rangoon are about Rs. 15 a day and that with conveyance the daily expense at Rangoon will be about Rs. 25. I request that I may be allowed to draw daily allowance at this rate or preferably that I may be paid my actual expenses at Calcutta and Rangoon.

A daily allowance of Re.1-8-0 to the peon may also be sanctioned.

Yours sincerely,

My dear Balasundaram Iyer,

In my D.O. letter No. 9673 of the 2nd February 1920, I requested that special rates of daily allowance or actual expenses may be paid to me during my stay in Calcutta and Rangoon in connection with my deputation to Burma. I stayed at Calcutta from the 9th to the 12th February and in Rangoon from the 15th to 19th idem, and my expenses at these places for board, lodgings, conveyances and sundry items amounted to Rs. 66-2-0 and Rs. 95-7-0 respectively, making a total of Rs. 161-9-0. I request that I may be allowed to draw this sum in lieu of daily allowances for my stay in Calcutta and Rangoon.

The peon who accompanied me had to be left behind at Calcutta owing to illness. For the seven days of his stay at Calcutta he may be allowed a daily allowance of Re.1. His actual expenses amount to this.

Yours sincerely,
